# Senior Pastor

Grace, mercy, and peace, from God our Father, and the Lord Jesus Christ be multiplied to you!

Let me remind each of you that you are indeed the Beloved of God. In writing to the Church at Philippi, the Apostle Paul gives thanks to God and gives them thanks for remaining a vital part of his missionary journey. *"I thank my God, upon every remembrance of you, always in every prayer of mine for you all making request with joy, for your fellowship in the Gospel, from the first day until now."* (Philippians 1:3-5). These are my sentiments exactly. Indeed, I thank my God, making mention of you with regularity in my prayers..

This report is my first report in the last two years. Since 2019, the three-fold pandemic has gripped the world. Over one million persons have died because of COVID-19 and its variants. Unfortunately, we lost many members during this pandemic. We miss them tremendously and continue to pray for their families. In addition, we have witnessed the vicious murders of George Floyd, Breonna Taylor, and Ahmaud Arbery, to name a few. Masses of people have not had food. Even now, as I pen this report, gas prices are somewhere in the neighborhood of \$5.00 per gallon. We have also witnessed the tragic murders in Buffalo, New York, where ten people were killed in a grocery store. In Uvalde, Texas, nineteen children and two adults were murdered at Robb Elementary School. To say these are perilous times is an understatement. Yet, the Bible says, *"Nevertheless, God's solid foundation stands firm..."* (2 Timothy 2:19 NIV). In the midst of it all, the Church has sought to be a catalyst for healing, courage, and faith in the face of fear.

Being mindful that our buildings were closed for many months due to COVID, the following pages provide brief reports and pictures of our journey since the last Annual Report. Although it is being issued later in the year than usual; it was still important to me to provide accountability and a record of God's amazing love and provision! By God's grace and your faithful and consistent prayerful support, we have been able to keep our doors open and maintain a relevant ministry—the amazing Cathedral International! Thank you for standing with me over the last three years.

We are grateful for each property; The Cathedral, Family Life Enrichment Center, Technology Center, Cathedral Cafe/Perth Amboy Police Sub-Station, Mattian's Garden, The Mercy House, Donald Hilliard, Jr. Community Affairs Complex, Cathedral International Asbury Park, Cathedral Cornerstone Complex Asbury Park, and our Cranbury Property. By the grace of God, we have been able to upgrade our media technology. I was able to teach virtually and go live on social media every week, and the saints continue to persevere. People continue to accept Jesus as Savior and Lord and unite with His Church. To God be the glory! In spite of it all, we are still here! Did you read what I just said? In spite of it all, we are still here!

# Senior Pastor

We sought to maintain a presence in your lives during one of the darkest times in our nation's history. Our staff and leadership are to be commended for the fantastic job of following up and connecting with our people. We have tried to connect with every single person. If you have not been contacted, please stop now and visit our website ([cathedralinternational.org](http://cathedralinternational.org)), or call Member Services at 732-826-5293 to share or update your contact information. We hope that you have felt the embrace of this ministry over the last three years. You matter to us! If you have any questions about anything, please feel free to reach out to the Church.

I am grateful for the second wind in my life and my ministry, and I am thankful for my wife, Pastor Phyllis, who stands directly by my side in carrying out the responsibilities of this ministry. Special thanks to the Cathedral International staff and leadership who support and carry out the vision. Let us continue going forward, and in the words of the old song, "Let's run on to see what the end will be." May the Lord be glorified always!

With Love and Appreciation,  
*Bishop Donald Hilliard, Jr., Senior Pastor*

# Iglesia Catedral

Grace and peace be with you from God our Father and the Lord Jesus Christ, who gave himself for our sins according to the will of our God and Father; to whom be glory for ever and ever. Amen.

The COVID-19 pandemic proved to be a challenge during the last two years, but the Spanish Church has remained strong in its membership and fellowship thanks to its leadership and volunteer workers.

It was through the creative and dedicated team of Esteban “Coco” Santana, IV and his wife, Amy Lynn Muñiz Santana that the Spanish Church was able to produce live worship services via YouTube live. These worship services took place first at the FLEC and then at Heritage Hall. I want to thank Deacon Andrew Largie for his assistance in ensuring that Esteban IV and Amy had the proper Ethernet and or WIFI connections to transmit the live worship services. Sis Lauren Hernandez for her assistance in providing an alternative place of worship while the heating system at the FLEC was being repaired. I also want to thank brother Rob and Brother Ed, from Security, for their kind and careful attention to the Spanish Church members and for disinfecting the space before and after our activities. I also want to thank the Spanish Church worship team and musicians of Esteban “Coco” Santana, Minister, Ivette Garcia Santana, Elizabeth Betances, Eliezer Santiago, Jr., and Marisol Santana for their flexibility in working together to make the You Tube live worship experience more authentic.

Also, through the dedication and commitment of Spanish Church leaders like my wife, Marisol Santana, Deacon Miriam Velazques and Dominick Santana (Usher) along with me, were able to stay in touch with all of the membership, ensuring that any and all needs were taken care of. Each member received a call from a Spanish Church leader at least every two weeks.

During the pandemic in 2020 and 2021, the Spanish Church made the following adjustments and or maintained the following ministry programs:

- Every Thursday at 7pm, the Spanish Church led by Deacon Miriam Velazques hosted a Corporate Prayer via zoom.
- Leadership Development meeting every first Friday of the month.
- Creating teams in the Church to support
- Women’s ministry led by Deacon Miriam Velazques, met twice a month via Zoom
- Effective November 14, 2021, the Spanish worship services were changed to match all of Cathedral’s 10:30am worship service times.

Lastly, there were two notable events during the last part of 2021. Marisol Santana led a group of women along with the pastor and two young people prepared an distributed Thanksgiving meals at the Laundromat on Madison Avenue. We created a nice pamphlet that accompanied the dinner with a Christian message and an invite to our Spanish services. It was well received.

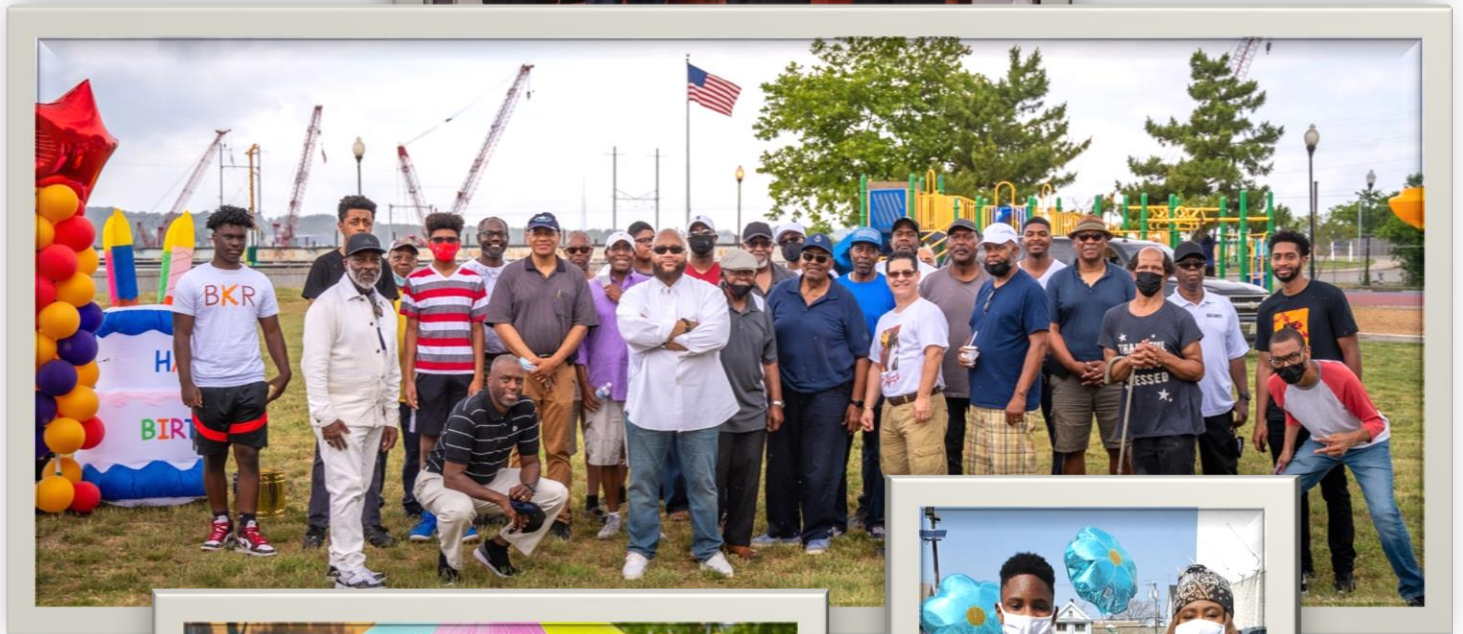

Marisol Santana, the Spanish Church held its Annual Christmas Program on December 19, 2021. Marisol wrote three different skits under the title: “Come, Let Us Worship.” The program was set up with different Christmas worship songs sung by different members of the Worship Team in between scenes of each skit. The program closed out with a reflection by Pastor Santana.

Blessings,  
The Rev. Esteban Santana III, M.Div.

# Chief Operating Officer

Greetings in the name of our Risen Savior, Jesus Christ! It is my distinct honor and privilege to serve as Chief Operating Officer of Cathedral International. The broad range of responsibilities in this role allows me the opportunity to serve the people of God and support the Senior Pastor, Bishop Hilliard in the accomplishment of the Church's mission. I also serve in tandem with our dedicated and phenomenal Board of Elders in developing and maintaining a ministry infrastructure that will support the spiritual health and long-term growth of the Church.

Our amazing Pastoral and Leadership Teams, Cathedral Staff and Ministry Volunteers are among some of the hardest working, dedicated, sacrificing, resourceful, loving, and creative, God-fearing people known. For all that you do behind the scenes to serve, care for, and give hope and encouragement; we thank you and give God praise for you. You are extraordinary gifts from God!

When I consider 2021, all I can say is THANK YOU JESUS! I am beyond grateful and celebrate all that God has done and continues to do in, through, and amongst God's people. Although our buildings were closed for the majority of 2021 due to the pandemic, the ministry of Cathedral International remained strong.

*The Gospel:* Through our streaming platforms, the Message of the Gospel was taught every Sunday and was made available locally, nationally, and to the world! Our Weekly Bible Study, and Adult Sunday School Classes continued online.

*Prayer:* Early Morning Prayer Calls were held each weekday. And, the Bishop's prayer line remained available to all.

*Serving You:* Although we had to modify for safety: Baby Dedications, Ocean and Indoor Baptism, Weddings, and Funeral Services were held. Great efforts were made to try to stay in touch with our Cathedral family and friends through phone calls from our Bishop and First Lady, Leadership, and our Staff. Even while working remotely, we sent emails, text messages, and various mailers (letters, postcards, and gifts were even made available to encourage the family).

Understanding that flexibility is extremely important during these unpredictable times - when we could not gather indoors, we shifted to Outdoor Worship Experiences and Drive-Through opportunities. Efforts included Drive-Throughs to distribute ashes for Ash Wednesday, palms for Palm Sunday, and fellowship for Easter 2021. Our outdoor experiences at the beautiful Perth Amboy Waterfront, included a celebration for Bishop Hilliard's birthday, a Back to School Giveaway, and a Bike Blessing. We also sponsored a Thanksgiving Giveaway.

# Chief Operating Officer

The pandemic did not deter us from investing in bright minds and dreams. We were able to issue our Cathedral Educare Scholarships as we have done for many years. Our College Care Team was established. Care packages, notes, phone calls, and text messages were sent with love and prayers to encourage our College Students during final exams.

*Serving Beyond Our Walls:* Understanding the importance of community engagement, we endeavor to cultivate relationships and create partnerships. For our Christmas and Community Outreach, we hosted a Petting Zoo, provided free refreshments, and Toy Give-A-Ways for our children and those in the community. In Perth Amboy, we sent mailers, made personal deliveries, and partnered with the Mayor's office and other community service partners to use their platforms to share some of the ways that Cathedral International was available to support the community.

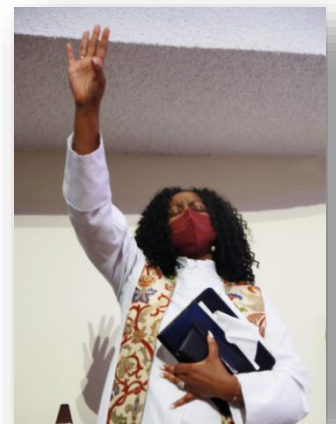

*In the Fight Against COVID-19:* In partnership with the state of NJ and Monmouth County, we hosted a Community Pop-up Vaccination Site at Cathedral International Asbury Park. Free transportation to our campus was provided and many were vaccinated. Free food, backpacks, school supplies and other free giveaways were also shared with the community. Cathedral also provided hot meals and support to First Responders working in nursing homes and as Emergency Medical Technicians, Police Officers, Fire Fighters and 911 Dispatch teams. As our Sanctuaries opened back up in mid-September, our facilities had been sanitized and prepared. And, a few upgrades were made. Our Re-Entry Team ensured that safety protocols were in place to welcome our members and friends back into safe, clean, and beautiful spaces in all locations.

*Stewardship:* Committed to Missions and Outreach, we provided support for individuals, families, community service partners, American Baptist Churches Missions, Lott Carey Foreign Missions; American Red Cross; Our Local First Responders, Various Disaster Relief Efforts, the NAACP, National Action Network, YMCA, St. Jude's Children's Hospital - just to name a few.

The exterior façade repairs were completed and major roofing and drain replacement progressed on The Cathedral. General ongoing maintenance for Cathedral properties and grounds continues. We forged forward with our Sanctuary Technology Upgrade project for presenting the Gospel in excellence, locally and throughout the world. Praise the Lord!

Our ability to share the Gospel and meet the needs of God's people is made possible by the grace of God, through prayer, and your consistent and generous giving. We are so appreciative of your partnership. THANK YOU for your contributions to this great ministry and to Kingdom work. For all of this, God deserves all the glory!

Know that we are praying for you. You are loved and you are not alone.  
We are better together and the best is yet to come!!

Treasurer

The year 2021 was full of the Lord's faithfulness and miraculous provision that sustained us. Your consistent giving of Tithes and Offerings have allowed us to operate the ministry through many challenging days. We continued to maintain three locations, host worship services, provide benevolent and mission assistance, maintain several properties, and various ministry related activities. We are committed to being good stewards of the funds received by managing effectively and efficiently.

Our total revenue for 2021 was \$4 million, of which 84% was Tithes and Offerings. In addition to maintaining operations, we were able to do major repairs to several buildings and improve our audio and visual equipment. We look to increase the quality of broadcasting worship services virtually and at our various locations throughout the state of New Jersey.

Total expenses for 2021 were \$3.8 million. Approximately, 74% of our contributions/revenue was used for ministry related work to sustain and advance the Kingdom of God.

Our accounting department was hard at work adjusting to the additional on-line giving platforms and changes to operating procedures to accommodate our virtual operations. Using current technology to process income and disbursements will continue to be a high priority to reduce costs and increase operating efficiency.

## The Year 2022:

Although the COVID-19 pandemic has impacted the world and our ministry, it is with great expectations that we position for 2022. Let us embrace all that is before us in faith, with prayerful hearts and with open minds.

What a great honor to serve in this great ministry.

In His Service,

*Abraham Alston, Jr.*  
*Treasurer*

# Chief of Staff

Greetings to all in the Name of our Lord and Savior Jesus Christ.

Since joining the Cathedral International Staff in August 2021, I've had the pleasure of working with an incredible group of people who through the strength and direction of the Holy Spirit continue to make Cathedral International truly the "Unforgettable Experience."

## Some Highlights

- Our incredible Production Team and Music ministry provided weekly support for virtual Bible Study and Sunday Service recordings
- The Cathedral Staff organized and executed Outdoor Worship services on 7/4 (Perth Amboy Waterfront), 7/25 (Ocean Baptism – Asbury Park), and 9/5 (Perth Amboy Waterfront)
- In preparation for returning to in-person Worship in September, the Cathedral staff staged a number of soft openings at all of our locations. This included, installing signage to our COVID-19 protocols, detailing socially distanced seating, re-starting media components, and planning Order of Services
- COVID-19 protocols were established and implemented to provide a safe worship environment for our members and friends
- In the Fall, weekly Staff Meetings resumed
- An assessment of our current staffing was developed and areas where gaps exist were identified. Our plan is to fill these gaps as appropriate in 2022
- The staff purchased and organized the distribution of weekly gifts to our members
- As special events were planned and seasons changed, the staff decorated and beautified our sanctuaries
- When COVID-19 cases rose and we found it necessary to shut down our facilities for a second time, our staff quickly pivoted to provide high quality and spirit-filled virtual services to edify our people, keep our membership engaged, and glorify God

2021 was a challenging year for the Cathedral International Staff, but by the direction given by the Holy Ghost, the protection provided by the Blood of Jesus, and power of God the Father, we were able to persevere through every obstacle. We thank God for His anointing, Bishop Hilliard for his leadership, and our staff for their constant work and sacrifice. We are confident that in 2022 we will accomplish great things as we work Ever, Better, Together.

In Jesus' Name,  
*Deacon George Turk*

# Diaconate

Our focus was to strengthen our roles as Deacons at each location to better serve the membership.

We were successful in electing officers to serve, Deacon Anthony Culpepper, President, Deacon Valerie Trawick, Secretary, Diane Crawford Treasurer. Deacons at the Asbury, Plainfield, and Spanish Church helped to keep us up to date with members, activities, and events at each location.

We updated our Diaconate Directory and “Who's Your Covering Leaders” list.

We continued to hold our monthly prayer and business meeting every third Saturday remotely. Included in the meeting were prayers, homilies, and regular COVID-19 updates by Deacon David Henry.

The Diaconate also served and participated with the Church's outdoor events in the Asbury Park, Perth Amboy, and Plainfield.

We maintained contact with the sick and shut-in as well as serving faithfully at homegoing services; uplifting those who have lost loved ones with phone calls, visits and financial support.

We served at the following

- Ocean Baptism & Community Cookout
- Palm and Easter Sunday Drives
- Christmas collection for a Women's Shelter
- Community Trunk or Treat Harvest Feast
- Saints and Leaders Telethon

Future Plans:

- Expand the Diaconate coverage of the E-Church platform
- Help the Deacons focus on their gifts and operate in those areas to work and contribute to help build the Church.
- Contacting Potential Leaders/Deacons is in progress

# Mothers

The Mother's Board comes together for weekly prayer meetings on Monday morning via phone at 8:00 am. Due to COVID-19, we did not have in-person meetings in 2021. During our prayer time, we covered Bishop Donald Hilliard, Jr., Pastor Phyllis Hilliard, Cathedral membership, sick, afflicted and those in mourning. We also prayed for those who were in need of financial help and special needs. We also prayed for souls to be saved and that God would add to His Church daily.

# Ministerium

As the Ministerium of the Cathedral International, we are actively engaged in the life of the Church. We prayerfully interact with members and non-members and share the Word of the Lord to all who are open to receive it. In addition to preaching and teaching the Gospel, one of our ministers leads our evangelism team which serves our communities in Perth Amboy, Asbury Park, and Plainfield. Evangelism was an integral part of the Cathedral experience this past year, especially since we held several outdoor worship services and provided multiple outdoor events.

Touching the lives of our members is one of our primary goals. We reach out to our members at various times during the month; we teach Sunday school as well as new member classes. When loved ones are sick, we are there and when they suffer loss, we minister comfort and peace.

This year has brought additional challenges with being out of the physical building to worship together, but we met the challenge by worshipping together virtually; participating/leading in Bible studies virtually; and connecting and engaging with members and friends virtually. Through it all God has been glorified and the people have been edified. We look forward to another amazing year. We have “Great Expectations - ever better together!”

*Minister Darrin J. Brown, President, Ministry Head*

*Minister Sebrena Melette-Boone, Vice President*

*Minister Tina Adams, Treasurer*

# Facilities Department

The Facilities Department is committed to providing a clean, healthy, and safe environment for all eight of our properties, for all who visit our campuses, enter our buildings and for the communities in which we serve. Our Team supports every service, ministry event and activity held on and off campus. We were faced with another challenging year. The doors of the Church were temporarily closed, however, the day to day business and ministry of Cathedral International remained opened. The Facilities Team was key to keeping the buildings open, grounds maintained, facility equipment running, routine inspections and other city mandates complied and up to date, tenants pleased, transportation fleet operable, seasonal decorations and liturgical paraments and accessories, new safety and security measures implemented and our hearts, minds and souls lifted. The Facilities Department orders and distributes all facilities supplies including Personal Protective Equipment (PPE). A disinfecting – fogging regiment was put in place all buildings, as well as, non-touch infrared thermometers, automatic hand sanitizing units and health protocol signage throughout the buildings.

We value our relationships with our cleaning, plumbing, electric, flooring, painting, general contracting, security and fire systems, heating, ventilation, and air conditioning vendors remained in place and were thoroughly utilized for new installations, maintenance and repairs in 2021. Our Perth Amboy Church building was heavily impacted by hurricanes Henri and Ida. Renovation work began in the sanctuary, two hallways and roof of the Cathedral. We were blessed to remain open during renovations and we look forward to the completion of all work by the end of the third quarter 2022. Other exciting renovations for 2022 include new windows and new landscaping for both the Church and Complex in Asbury Park, and a new roof, gutters and doors for the Complex. The remaining preparation projects for re-opening of the Cathedral Counseling Center should be completed before June of this year. We also plan to paint the Complex in Perth Amboy and re-pave the parking lot. In our Plainfield location we will help with beautifying the sanctuary and adding facilities support on a weekly basis. Our transportation fleet is ‘seasoned’ and a new Church van is needed. Our department is dedicated to helping to raise funds for this endeavor.

The Facilities Team is grateful to be a part of this great ministry. We are dedicated to the supporting and collaborating with the vision of the House as set forth by our Bishop. We remain customer focused and committed to providing an atmosphere that facilitates the ultimate experience of excellence in ministry and worship!

# Information Technology

I am pleased to present this Annual Report out of the Office of Information Technology.

We continue to make remarkable progress in the delivery of technology services that are fully aligned with the needs of the organization.

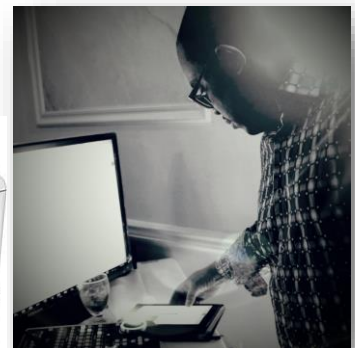

During 2021, we made important progress in advancing and completing major initiatives of connecting membership and staff, both remotely and virtually.

We used technology to communicate with our members as well as develop ways that staff could work more efficiently. Microsoft Cloud services were implemented, moving most of our business technology to the cloud which gave us the ability to access data and applications when not onsite. We look forward to refining all other technology platforms and further enhance the network infrastructure.

During the year of 2021 Information Technology:

- Scheduled and sent Weekly text communication to Cathedral International's text community.
- Migrated users to Microsoft apps such as OneDrive and SharePoint
- Implemented a virtual receptionist phone.
- Participated in the E-dump cleanup, where we responsibly recycled end of life computer equipment.
- Worked on various projects while supporting staff and ministries with the completion of 740 service requests.
- Setup staff to have the ability to work remotely
- Setup, configured, and maintained Brushfire the online reservation system. This during the Church re-entry was used to make reservations and the signing of the COVID-19 Waiver Form.
- Supported and managed weekly Zoom meetings for the organization
- Simulcasted Sunday services mainly at the Asbury Park location
- Established QR codes for the website, the giving app, and acquiring new and existing member information
- Managed a variety of technology upgrades and updates

In His Service,  
*Deacon Andrew Largie*

# Human Resources

In 2021, the majority of the staff continued to work from home. By September, a small number of employees were requested to begin working on campus. To ensuring a safe work environment, strict safety COVID-19 guidelines were enforced.

In October of 2021, we began preparing for our paperless goal for 2022. We are partnering with ExcelForce and ADP TotalSource to expand our HR virtual platforms.

Having Faith and Praying for a Healthy 2022!!

# Music Ministry

As 2021 draws to a close I reflect on what God has done in our midst and it is marvelous.

Our music team has faithfully ministered in extraordinary circumstances, and their commitment to ministry and passion for worship is an inspiration to me and a blessing to our congregation.

For most of the year rehearsals and services were virtual. Music for Sunday services, bible study, Cathedral choir and youth choir presentations were creatively produced and recorded in partnership with Cathedral Productions.

For the September reopening we auditioned musicians and singers to build, grow and evolve our musical presentation. The Asbury Park and Plainfield music ministries were re-staffed with music directors Jonathan Bradley and Michael Benbow, and they hit the ground running. I am grateful to God for what He has established in each location.

In the fall we ministered for a Night of Worship, the Pastoral Anniversary, and the ebullient Christmas production: "The Sound of The Season".

I am humbled and gratified to serve with an anointed and unified leadership team. Thanks for a wonderful year to Donald Parker, Nathaniel Russell, Elder Doretha Sims, Pastor Michael Wilkerson Leach, Pastor Abe Alston, Pastor Amir Ballard, Deacon George Turk, Michael Benbow, and Jonathan Bradley. Thank you to our phenomenal band, worship leaders, psalmists, praise team, and staff musicians in all locations. Thanks to our Youth Choir leaders Leslie Lukoma and Tiffeny Andrews and thank you to Lloyd Vaughan of Cathedral Productions. It's been an incredible year!

Respectfully Submitted,  
*Theodore J Elias, Minister of Music*

# Dance, Banners & Flag Ministries

The Cathedral Dance Ministry and the Cathedral Banners & Flag Ministry presented the Word of God using dance and flags throughout the year during virtual worship services, outdoor evangelistic services, and during special services. Like all ministries, we faced the challenges of COVID-19. However, creativity flourished as we changed and adapted. Although unable to be together physically, the ministries embraced technological resources and worked in conjunction with other ministries to rehearse and bless God's people. Choreography and ministry continued to go forth as selections were captured on video, presented, and shared virtually. It was a joy and honor to continue to serve as a source of encouragement and inspiration, enhancing the worship experience for our viewing congregations.

Despite the pandemic, we remained connected as a ministry, both in love and in action. Through life's hills and valleys, we celebrated each other's accomplishments and held each other up in moments of sadness and loss.

We welcome new members of all ages starting age 7-107 to join either division. Please send us an email if you are interested in joining DANCE at [danceministry@thecathedral.org](mailto:danceministry@thecathedral.org). and FLAGS at [blessingsdb@optonline.net](mailto: blessingsdb@optonline.net).

Blessings,  
*Minister Sentheia McLeod*

# Christian Education

The Cathedral International Sunday School provides a welcoming Christian environment where students – adults and children receive a solid Biblically-based relevant Christian education. Lessons build faith, encourage growth, and support the vision of the Bishop and the mission of the Church.

## Children's Sunday School

*Minister Sebrene Melette-Boone, Director of Christian Education*

*Sister Karen White, Superintendent*

*Sis. Monique Chester, Superintendent*

*Sis. Monica Almonor, Superintendent*

*Sis. Cecelia Hernandez, Superintendent*

Throughout 2021, the Children's and Teens Sunday School Ministry provided weekly instruction on lessons about Who Jesus Is, How Jesus Loves Us, the Fruits of the Spirit, Putting Jesus First, Hearing God's Voice and how we Belong to God to name a few topics. Our classes serve pre-school, elementary, middle, and high school students from 4 years old to 18 years old.

Although 2021 was a year of change in how Sunday School would be taught, the ministry did not miss a beat! Virtual learning began where each session started with prayer, lively praise and worship and children volunteers leading us in the fundamentals of our faith. The children are then broken out into their individual classes where they are engaged through bible lessons, discussions, videos, and games; and a wrap-up complete with recognition for accomplishments, birthday 'shoutouts' and support in difficult times.

The children had an opportunity to serve in many capacities in 2021. During Black History Month, Cathedral Sunday School Students were asked to present at the Nokia African American Heritage Program for Murray Hill, NJ and in the "Say Their Name Remembrance" Tribute to black men and women who lost their lives to police violence. They presented on 2 books "Little Black Boy" and "Little Black Girl" by Brittany Green.

The Sunday School children performed in the Easter Pageant titled 'He Is Risen', complete with spoken word, dance, and song. After the virtual services, children and families were invited to a drive-thru where they were able to say hello personally to Bishop Hilliard and Pastor Phyllis, where over 300 Easter Goodie Bags were distributed to Cathedral International Children and Children in the Community.

During the holiday season the children were able to attend the Hallelujah Fest where all children were welcome to dress in biblical or positive costumes while attending service. At the end of service, over 300 Hallelujah Goodie Bags were distributed to Cathedral International children and children in the Community.

Christmas on Madison Avenue 2021 was an amazing time! The children and families started out the extravaganza outside with live music, gifts, hot chocolate, and a live nativity scene complete with a petting zoo. Immediately after, the Children's Sunday School participated in the 'HOPE' Virtual Christmas Pageant featuring musical and acting performances.

## Adult Sunday School

Rev. Mother Iona Jenkins

In 2021, the Adult Sunday School studied from the books *Romans: A 12-Week Study* by Jared Wilson, *Revelations: A 12-Week Study* by Stephen Witmer, and *Genesis: A 12-Week Study* by Mitchell M. Kim. The students are so eager to participate, ask questions and contribute to the discussions. We are learning and growing together.

## Men's Sunday School

Minister Bill Leach

The Men's Sunday School began the year with a video series entitled, *7 Questions that Rattle in the Minds of Most Men* led by Brother Cranston Chester. The questions were:

- Where am I?
- What's my story?
- Who am I?
- Why am I here?
- Where am I going?
- What about women?
- Who can I trust?

Each Sunday the class would watch a topical video related to the question then breakout into small groups for discussion and prayer. Guidelines were established and communicated at the beginning of each meeting to promote confidentiality, trust, and respect.

Participating in small group discussions provides an opportunity to share and be heard. This led to stronger relationships of trust being developed amongst the men who participate in Sunday School. At the end of each lesson, there is an opportunity to share what was learned and what the individual planned to do differently. The Men's goal is that each experience in Sunday School is transformational.

The lessons in 2021 included Dr. Tony Evans' *Kingdom Man* video series which was led by Deacon Thomas Lukoma, which emphasized men submitting their lives under the authority of the LORD and a Biblical word study on the meaning of the heart.

The Christian Education Department: Student and Adult Classes are:

- A Christ-Centered Learning Environment and Foundation (*1 Corinthians 3:11*)
- Based on Biblical Teaching (*2 Timothy 2:15*)
- Developed to Help the Students Become Biblically Sound and Grounded (*Psalms 119:11*)
- Geared Toward Focusing on Discipleship and Salvation (*John 3:16*)

# Communications

“Forward” was Cathedral International’s 2021 theme and Communications worked alongside pastors, leaders, staff, ministry heads and the congregation to effectively go forward. Although COVID-19 was the challenge, 2020 had taught us how “not to stop” but to “drive and go forward!” (2 Kings 4:24). As we went forward in 2021, online engagement with our congregation and community partners was critical. Communicating effectively with our lead visionary, Bishop Hilliard and every ministry leader in all locations helped us to create a graphic guide which kept us on course and aware of every ministry activity and opportunity.

UPDATED 01-15-2021

2021 Ministry in an unprecedented pandemic called for heightened use of social media, website updates, email marketing, streaming services, YouTube, photography, video promotions and informed verbal communication. # Cathedral Community Development Corporation

Greetings in the matchless name of our Savior and Lord, Jesus Christ!

It is with great joy that I submit this note of accountability to Bishop Donald Hilliard, Jr. President, the Presbytery and Cathedral International family. The following is a brief summary of our 2021 accomplishments and 2022 goals:

The Mercy house remained open on a weekly basis during the COVID-19 Crisis thanks to a \$25,000.00 New Jersey Pandemic Relief Fund Grant.

We were the only pantry in Perth Amboy open Monday thru Friday.

This grant we received from the Community food bank of New Jersey, enabled us to upgrade our computers for the Mercy House.

We partnered with two organizations who provided volunteers who helped on a daily basis to service the community.

- The Mercy House served 2,400 families with food packages
  - 7560 boxes of fruits and vegetables were given out
- We have two volunteers who delivered to local residents 4800 food packages
- Our very own Brother Jerome Addison delivered to our Cathedral Seniors over 960 food packages

Thanks to the generosity of our Bishop Donald Hilliard the Mercy House received the renovation of our front porch and steps.

The Cathedral Men's Ministry under the leadership of Brother Rob Williams donated toys to our Christmas giveaway where over 100 children received toys.

We hosted a breakfast with Santa event where my family volunteered to cook and serve breakfast to the children and parents present.

Deacon Chris Nicholas volunteered with various men from Cathedral to help unload our truck deliveries every 3rd Saturday of the month.

Deacon Chris Nicholas also gifted the Mercy House with a new freezer.

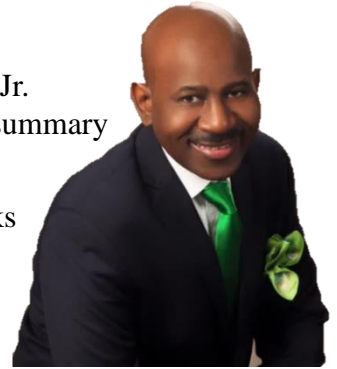

Thanks to various benefactors we were able to purchase four new freezers, and the renovation of the lower level of the Mercy house to provide more storage space.

We are currently working on renovating the 1st floor.

Special thank you to Dr. Fannie Gordon who always remembers us with a donation for the Mercy House.

Special thank you to the CDC Board, Sister Damaris Wicks and Deacon Juana Kearny for all they do to sustain the community outreach and services of the Mercy House.

Always Serving in Love,  
*Pastor Steven Excel Deaver (Presbyter)*
